Guest Panelists:

- Elan Flippin, FTA Tribal Transit Program Manager
- J.D. Tovey III, Planning Director, Confederated Tribes of the Umatilla Indian Reservation
- Kelly Shawn, Senior Associate, RLS & Associates

Discussion Questions

- What are your needs and key challenges as a tribal transit system? Is there a training product or technical brief that could help?
- Where do you get training? What are the barriers to getting training for your program, if any?
- What issues do you have working with state, federal, and other local governments?
- For non-tribal affiliates, what are your challenges coordinating with tribal transit systems in your area and how might that relationship be improved for all parties involved?
